SHEPEARD'S

HIGH SCHOOL

RED CORD program

DID YOU KNOW?...

- You can earn a red cord for graduation through our RED CORD program. (See program Rules)
- When you volunteer to help at a blood drive we will provide letters of Volunteer Service hours that can be used to fulfill Beta Club, NHS or any other club's community service requirements.
- Your volunteer work looks good on your college and/or job applications.
- Donating blood with Shepeard is recognized as an act of community service and demonstrates a selfless commitment to saving local lives.

program RULES

- Donate three times within a school year and you can earn a Red Cord .
- If you have been deferred and can't donate for yourself, someone can donate for you by completing a Red Cord Hero Form. Forms can be found at shepeardblood.org, or at any Shepeard Center or blood drive.
- Red Cord Hero Forms must be postmarked by May 31, to receive points for the donation.
- You, or the person donating for you, may get credit for donations made at other Shepeard-sponsored drives or at a Shepeard Blood Center (with a HERO FORM within school calendar year) in addition to donations made at your school drive.
- Only one person can receive credit for each donation. You can donate for someone else, but in that case, the points for your donation would go to the person for whom you are donating instead of you. Once the donation has been designated for another person there is no reversal.
- Not graduating this year? Not a problem! You can fulfill the requirements for the red cord this year even though you will not be graduating. The cord will be there for you when it is your time to shine!

For more information on how to become a volunteer at one of our Community Blood Drives, log on to: info@shepeardblood.org
